From Library Journal Having explained things to Women Who Love Too Much (a 3.2 million-copy seller), Norwood uses real-life examples to show us how to overcome adversity. Copyright 1994 Reed Business Information, Inc. Book Description The best-selling author of Women Who Love Too Much reveals how a spiritually enlightened understanding of life's afflictions can lead us to a new age of personal and planetary healing. By making esoteric principles and spiritual laws that apply to all of us understandable, Norwood helps her readers fulfill their own destiny. Line drawings. See all Editorial Reviews
