PREFACE
TOURISM IN MICRONESIA
Though Micronesia has yet to be fully
developed as many as Tahiti. Salpani with much covered by the promoters of
packaged comfortable beaches than Guam and no military summer tourism
Guam and Saipan already bases isn't far behind. On Guam tourism has
alongside such fleshpots as Bali, Thailand, and Hawaii in the tourism markets of income for
the territory and now tourism is moving to Tokyo, Nagoya, and Osaka. Belau, a hot
country with military use, is the government's new destination about to be opened to

Japonese mass tourism and Pohnpei already has of the surface presently held by the
