CHAPTER 1 - GOD S PROMISE TO NATIONAL ISRAEL
 When and how did Israel begin? Is it a nation that goes all the
 way hack to Noah? Can we know its precise beginning?
 Indeed we can know its beginning. By carefully reading the
 Bible we can know without the possibility of error the exact
 circumstances relating to the founding of Israel.
 The birth of the nation of Israel coincides with commands by
 God to the ancient patriarch Abraham. Abraham was a Gentile
 living in Ur of the Chaldees. God commanded him to leave his
 homeland and go to a innd in which he would llve as a stranger. The
 land he was sent to was the land of Canaan which became the land of
 Israel.
 As Abraham faithfully obeyed Godi¼ he received significant
 ~romises concerning himse]~ and eoneerffmg h~s see~. Paese
