ing the Memorial Day weekend of 1968i¼Œ Kate Shaw<br >~red a robbery that wasi¼Œ she conceded straightawayi¼Œ \"all<br >own fault.\" Living on one of the few privately owned<br >es of lakefront property in Thorpei¼Œ she had permitted a<br >ag hiker to spend Friday night camped on the shore. The<br > afternoon she went shopping. When she returnedi¼Œ the<br >r was gonei¼Œ and so were her typewriteri¼Œ camerai¼Œ and<br >D.<br >Spector Adams resisted the urge to lecture on the horrors<br > might have befallen an attractive young woman alone<br > a stranger in an isolated house. He commented that she<br >lucky her stereo was too big to carryi¼Œ and warned that the<br >~giate secondhand market would probably swallow her<br >is without a trace.<br >he Èndi¼Œ he thoughti¼Œ and as far as the case was concerned<br >was right. But two days later he passed her in the<br >cersity

library where she returned his greeting although expression suggested she wasn't sure who he was. On Friday at Professor Lacey's end-of-term party for present former students she not only recognized him but sought out. Inspector " she said with a smile. "You're like a word." He raised his eyebrows inquiringly. "You know"
