SILAS TARKINGTON
LEGENDARY RETAILING
TYCOON
IS DEAD
Founder
Head of Tarkington's 5th Ave. ~ was to retailing as Carnegie was to steel
Ford to automobile to publishing and Ruth to baseball.
So said former New York Mayor Edward Koch when notified of his old friend's sudden death. "His death not only constitutes a deep personal loss," the mayor added, "it is a great loss to the City of New York and to the nation." He was Silas Rogers Tarkington, legendary founder and executive officer of Tarkington's, the famed Fifth Avenue store that bears his name.
