E L watches wrestling on Saturday nights. He likes  
>~n Verne Gagne goes for the sleeper hold. He jumps  
>f his chair and slaps his thighs with both hands. Then  
>mks his arms aroundi¼¢ one across his chest and the other  
>hti¼¢ with the hand cupped as if it s on someone s skulli¼¢  
>ae s doing it himself. He imagines that it s him putting  
>Blackwell into slumberland and that it s his partneri¼¢  
>Dog Vachoni¼¢ lying outside the ringi¼¢ blood running down  
>.ce and pooling on the concretei¼¢ black and shiny.  
>hoebei¼¢ come herei¼¢\" Asel says.  
>Verne s going for the  
>er.\"  
>it Phoebe can t hear him. She s in the kitchen with her  
>phones on. They are the kind that wrap around the head  
>lave tiny speakers that fit inside the ears. She has a song  
>:eeps playing over and over again. It s an Emmylou Harris  
>~ She hears something new every time she plays it. She  
>s something new about how hard it is to kill off the ghost  
>no-good man. At certain times in the songi¼¢ she presses  
>fingers into the palms of her hands and at other timesi¼¢  
>spreads them wide and tilts her head backi¼¢ her braid so  
>~ that

it curls up at her feet¼ snug and warm on the floor.<br>erne Gagne lets go his hold on Jerry Blackwell and whips<br>into the ropes. Everyone at the Hartford Civic Center<br>their feet. Asel can hear them. He wishes he were there<br>i¼ so his voice could join the others in urging Verne on to<br>0ry. Verne gets his hands on the chair that Blackwell used<br>~pen up Mad Dog s head. He holds it in the air and turns<br>nd and round. It s a folding chair¼ made of steel and wood.<br>will make quite a dent in Jerry s noggin when it comes<br>shing down. But Verne isn t that kind of guy.<br>!Break it¼ Asel whispers and Verne does. He breaks it<br>his knee and drops the halves over the side¼ where they<br>
