Amazon.com Three powerful mysteries are compiled in one volume, all featuring Navajo Tribal Policeman Jim Chee. People of Darkness asks questions of cultural identity and tribal beliefs. Set in the southwestern Bad Country, a bloodthirsty assassin waits to prevent the revelation of 30-year-old secrets. The Dark Wind is filled with Navajo sorcery and white man's greed. After Chee is barred from following up on a multimillion-dollar drug case, he discovers that a vandalism incident and a murder may be tied to the case. The Ghostway includes a healing ceremony whose cure could be death. Follow an odyssey of murder and revenge that moves from a traditional Navajo dwelling to contemporary Los Angeles.
