Book Description The book tells the stories of women and their experiences with friends, providing insightful lessons that will help you look at yourself and your friends in new ways and will deepen the special relationships in your life. The stories are divided into the universal themes of loving kindness, trust, honesty, courage and sensitivity. About the Author Bucklin and Keil are close friends and writers. Bucklin has recently completed a memoir. She is nationally ranked in women's senior tennis. Keil has had a varied business career including being a Tony-nominated Broadway producer. She has produced two film, including SWING, scheduled for an early 2004 theatrical release, which she wrote. She also co-authored ENTERPRISE IN THE

NONPROFIT SECTOR.
