is book is a compendium of the wisdom of Mary, theMother of Jesus. It contains words she has said in the scriptures, aswell as messages she has given in our own day, according to thebeliefs of many. Some of these sayings are historical, some areapocryphal. Some are still a mystery. For me, the most important words the Virgin Mary has ever said are "Do whatever He tells you." It happened at the weddingreception in Cana, the party that John tells us Jesus also attendedwith his disciples. When the wine ran out too early, the butlerlooked to Mary for help. Why? Perhaps she had agreed to put on theMary's Little Instruction Book / ix
