From the Publisher Life with a toddler can be perplexing. Parents sorely need the practical advice Dr. Brazelton offers for surviving - and enjoying - the struggles and triumphs of their child at this age. In this careful revision of his classic work, he emphasizes the special strains on working parents, the role of fathers, and the needs of toddlers in day-care centers. --This text refers to the Paperback edition. From the Inside Flap Life with a toddler can be perplexing. Parents sorely need the practical advice Dr. Brazelton offers for surviving - and enjoying - the struggles and triumphs of their child at this age. In this careful revision of his classic work, he emphasizes the special strains on working parents, the role of fathers, and the needs of toddlers in day-care centers. --This text refers to the Paperback edition.
