book is for parents
educators of their children
who want to be the
principal sex
who want their children to grow
up with healthy attitudes
and who are not apologetic about
wanting to get across their own values. The
book is written
mainly to communicate that we are all born and remain sexual
human beings
that nothing in life is definite
that even the
best-intentioned parents make mistakes
that sex isn't every-
thing (or even
the main thing) in life
and that no book will
change a person dramatically.
We write for parents who appreciate differing value systems
enjoy a sense of
humor and try not to be hypocritical--in short
parents who would like their

children to perceive them as under-
standing and \askable.\" Ultimately the
feelings of love and
affection parents share and the atmosphere of caring in the
home are more important to a child s healthy development than
formal sex
education. Sex education begins in the home. Parents need to under-
stand
and facilitate the development of their children as sexual
beings. While
schools religious groups and community agencies
can assist parents
remain the primary educators. We hope this
book will allay any fears parents may
have that giving informa-
