What self-respecting undertaker would allow himself to get involved in a murder investigation, a series of dirty videos, a case of political blackmail, and police corruption, as well as one of the worst amateur theater productions in recent memory? None, unless your name happens to be Hitchcock Sewell, the most charming suspense hero to come along in years. And who knew an undertaker could look so good? In this fast-paced and enormously entertaining mystery, Hitch has gotten himself into more trouble than any self-respecting undertaker should.
