OF NINTH LETTER our primary goal has been to avoid duplicating
above all is to refuse to succumb to the comfort of an
format or to confine
ourselves to a
So things are a bit different this second time around
single
definition of literature.
and in forthcoming issues
(be warned) they ll be
different yet again. For Volume 1 Issue 2 we ve experimented
with alternative
media and interactivity with ninthletter.com; we ve also included some
special
items for readers and collectors. Go ahead and turn to the contributors notes
first
as I know many of you already do. You ll find some interesting facts about
each of
our featured writers and poets. And in honor of our limited-edition
contributors cards
we ve compiled below nine facts unique to this issue of
NINTH LETTER.
Thanks for reading
and enjoy.
j.R.
