ONE
 In 1973 planes ~[ying interaational routes carried almost one hun-
 dred million passengers. Of these passengersi¼Œ one thousand were
 killed. Statistlea//yi¼Œ this ratio of numbers ki/led to total number of
 air ltravelers represents a very small percentage. But the thousand
 who died perished without baln - -
 tg aware of the comforting statistic.
 And it does not ease the aching emptiness/eft in people who]oved
 and needed the five who were kl//ed at Rome s Leonardo da Vind
 Airport in the early spring of that year. ~
 Afterwardi¼Œ no one who had been in the airport s International
 Terminal that mornilag was able to remember seeing the darkly
 good-looklng boy who d given Mar~ofie Kavanagh the box of choco-
 lates. Fie didn t accompany her to the Pan American ticket counter.
 Fie stayed instead near the aisle leading to boarding controli¼Œ

wait-
 tlgonerfously w~le she conKrmed b t tl d checked
 ugrl iaer single suitcase.
 She looked a llttle breathless when she came back to him carry-
 ing ticketi¼CE boarding passi¼CE and passport. ~I have to go in now.\"
 She was fighting bae/~ tears. \"Takeoffs
already boarding.\" in fifteen minutes. They re
 Sellm glanced at her boardiz
 ~g card. ~Cate Five. That s nil the wadY
to the fight in there. Better hurry.\" His English was a bit stiff an
slew;
 but his voeabulary was goodi¼CE
 She studied Schm s faeei¼CE uncertairdy. Fie wasn t smilingi¼CE but that
di~t mean anything. Shed lomrned in the six days of/lying with
him that he was
 a very sefious boy; not the kind to smile easily.
Even when he cracked iokesi¼CE or when he was dancing with bet
in the Roman discotheque where they d meti¼CE his eyes retained a
