Book Description A two-in-one volume for cat owners, The Kitty Caf & Kitten Kindergarten includes fun, simple pet food recipes as well as easy-to-follow techniques for training pets for life. Pet owners will welcome the clear instructions for

preparing all-natural meals and other healthy dishes for pets' special needs, including recipes for animals who may be overweight or have allergies. Packed with adorable images of kittens, this volume includes humorous facts, informative illustrations and invaluable advice on grooming, training, care, and diet.
