From Library Journal Manners matter, but they're not enough, insists the queen of etiquette. By teaching children to be kind toward others, we can counteract the destructiveness and apathy that are sweeping our country. Copyright 1996 Reed Business Information, Inc. From Booklist With her customary panache and good manners, Baldrige has produced a work invaluable "for anyone who loves a child." Her book is based on three premises: kindness makes a child safer and happier; kindness and civility are synonymous; kindness is taught by example. Consequently, the child who learns kindness will develop self-respect and self-confidence and have many friends. Practicing what she preaches, Baldrige politely instructs parents that courtesy begins at home, as she provides ways to set an example, develop a child's character and conscience, and deal with siblings. As the child goes out into the world, parents learn how to teach proper conduct at school, restaurants, churches, and parties; how to communicate by telephone, letters, and e-mail; and how to act at weddings, holiday gatherings, and even funerals. A final section shows how to contend with the intricacies of New Age family life, including divorce, remarriage, and stepfamilies. Baldrige has covered every conceivable social situation and potential faux pas from the proverbial soup to nuts. Patricia Hassler See all Editorial Reviews

作者介绍:

利蒂希娅·鲍德瑞奇 夫人

国际最顶尖礼仪权威，出身名门世家，专精礼仪。

曾在美国驻巴黎及罗马大使馆主掌礼宾部门。

曾担任美国第一夫人杰奎琳·肯尼迪的事务官，达二十余年之久，并于不同时期为5任美国第一夫人提供着装建议。

30岁成为世界著名珠宝品牌和美国殿堂级设计名门蒂芙尼集团的首位女性执行官。

创立了自己的公司，在少有女性经营企业的保守年代中，成为美国女性企业家的先驱。

她的《礼仪书》至今已译为二十多种语言，全球销售超过500万册

2009年，以特殊嘉宾身份出席奥巴马总统就职舞会。

书评

此書據Letitia Baldrige's New Manners for New Times: Letitia Baldrige's New Manners for New Times, Simon & Schuster, 2003年版翻譯。

這是一本很艱深的書，裏面充斥了我很費力纔能理解的各種禮儀，比如： -
女士請男士吃飯，在餐桌下悄悄把錢遞給對方。(p. 60) - 不要...

本来从图书馆借回来这本书是为了提升一下自己关于礼仪方面的知识，看看需要注意在一些特定场合中的禁忌。

翻了翻书才知道，作者是美国第一夫人杰奎琳·肯尼迪首席事务官，被《时代杂志》誉为国际最顶尖礼仪权威。听到这个名头，就觉得很高大上对吧。可是翻开书来看，全部都是宴...
