THE BALTIMORE CATECHISM: Basic Training for Young Catholics  
THE PROBLEM How to educate young Catholic minds in the teachings of the Church and give them a solid grounding--a rock on which to build their faith.  
THE SOLUTION Design a book that puts together the most complex theological issues, the greatest mysteries of the faith and the ways and means of performing Catholic rituals and make it understandable to seven-year-olds even though most of the greatest thinkers of the ages haven't quite figured it all out. Call it the Baltimore Catechism and make everyone memorize it.  
Why is this book called the Baltimore Catechism? This book is called the Baltimore Catechism because the catechism written in it was discussed in Baltimore.
