PREFACE
These reflections intuitively explore the transformations that mysteriously unfold in the hearts of those seeking deeper intimacy with God in prayer. More specifically, they consist of my personal exploration into these transformations. The book is in effect my prayer journal which I wrote to enhance my efforts to clarify for myself my own journey toward God in prayer. Thus, what I offer in these pages are not the answers of an expert in prayer, but rather glimpses into the searchings of a fellow pilgrim. I experienced the writing of these reflections to be somewhat like tuning a musical instrument. A tuning fork is struck and then a string of the instrument is plucked and slowly tightened as one searches for the sound that begins to resonate with that of the fork. Similarly, in the ongoing process

of writing reflections
such as these I rise early for prayer. And in the silence
there is an image--not necessarily a visual imagei¼E
sometimes it is more an inner certitudei¼E a kind of inner
truth. Then I slowlyi¼E prayerfully search for a word or a
pattern of words that keeps getting \"tuned\" until it
