 What Was Paul s
 Thorn in the Flesh?
 A Human Volcano Erupts
 A great truth burns within me. It concerns the
 Apostle Paul--a man who not only lived his life as a
 notable Christian exampleï¼Œ but became the greatest
 missionary the world has ever known. Nonethelessï¼Œ
 Paul had a umque problem--a problem he called the
 thorn in the flesh.
 Over the years l have listened to sermonsï¼Œ to
 debates and to many discussions about the \"thorn in
 the flesh.\" Its nature and identity poses a mystery to
 even the greatest and most learned theologians and
 biblical scholarsï¼Œ In places high and low the thorn in
 the flesh has been the subject of ongoing debate and
 religious deliberations. What was this problem that
 the
~i messenger of Satan used tirelessly to buffet Paul
