Praise for MAO, MARX & THE MARKET

"This is a gripping tale from start to finish, an extraordinary adventure told by a brilliant and idealistic businessman confronted by political disloyalty and chicanery on an epic scale. LeBaron tells his story with a punch, but his basic instincts of morality and decency shine throughout." --Peter L. Bernstein, President, Peter L. Bernstein, Inc., author of *The Power of Gold: The History of an Obsession*

"An insight-packed thriller summarizing a brilliant contrarian investor's adventures in the two great dramas of our era Russia and China; chock-full of pithy lessons relevant for investors and observers alike." --Graham Allison, Director, Robert and Renee Belfer Center for Science and International Affairs, John F. Kennedy School of Government, Harvard University

"Dean LeBaron's book on his adventures in Russia and China is a fun read. I recommend it to anyone taking their first or second or third visit to either country for business or pleasure. LeBaron brings out the personal warmth of these countries in terms of their individuals, as well as the obvious complexities of dealing with them." --David Gill, Board Member of several companies involved with Russia, Retired International Finance Corporation Official

"This is the fascinating story of Dean LeBaron in his quest to participate right from the start in the opening of China and Russia following the demise of their socialist/communist regimes. It is the best account of what happened in the emerging market world in the nineties." --Marc Faber, Editor, *The Gloom Boom & Doom Report*, Managing Director, Marc Faber Limited

"Adventure capitalist Dean LeBaron is the Indiana Jones of finance. Follow his escapades in emerging markets and get an insider's view of the birth of capitalism in Russia and China. You'll be amused, entertained, and instructed. *Mao, Marx & the Market* provides a fascinating insider's view of the creation of market economies with all their attendant travails. A must read." --Bill Miller, CFA, Chief Executive Officer, Legg Mason Funds Management, Inc.
