装帧:Paperback

isbn:9780521639897

One of the most popular novelists of the twentieth century, winner of a Pulitzer and Nobel Prize for Literature and an active social and political campaigner, particularly in the field of women's issues and Asian-American relations, Pearl Buck has, until now, remained 'hidden in public view'. Best known, perhaps, as the prolific author of *The Good Earth*, Buck led a career which extended well beyond her eighty works of fiction and non-fiction and deep into the public sphere. In this critically acclaimed biography, Peter Conn retrieves Pearl Buck from the footnotes of literary and cultural history and reinstates her as a figure of compelling and uncommon significance in twentieth-century literary, cultural and political history.
