## Product Description

When Samantha Morrow's husband leaves her and her eleven-year-old son she is faced with the terrifying prospect of having to recreate her whole life. After a few faltering steps she starts to put the pieces into place. She opens her house to a series of lodgers who each in the eccentric way help her to see herself. She fends off her mother, whose idea of getting over a failed marriage is to get a pedicure and get out there dating. And she shakes a friend, King, an MIT graduate turned handyman, who shows her that she has the ability to make her own future and her own happiness...
