<p>Tiny Tim, Bob Cratchit and Ebenezer Scrooge come to marvelous life in Patrick Stewart's critically-acclaimed solo interpretation of A Christmas Carol. The star of "Star Trek: The Next Generation" and The Royal Shakespeare Company, Stewart has performed his one-man stage production of A Christmas Carol to sell-out audiences. Now, in this studio recording of the dazzling achievement that has thrilled audiences in New York and Los Angeles, Stewart invites listeners to rediscover the timeless story at its source: Dickens' own, classic words, presented in a soaring, virtuoso solo performance in which Stewart plays all parts.</p>
