Special thanks to the wonderful travel companions who have joined me on my Yucatán explorations researching this book: Ellen Kleiner, my soulmate, of Santa Fe, New Mexico; Carol Delattre, quintessential culturally aware traveler, presently of San Miguel de Allende, Guanajuato; and my sister, Yamalyn "Dallal" Harris, of Miami Beach, Florida. Thanks also to my parents, Carl and Ruth Harris of Lynnwood, Washington, for helping make these journeys possible. Thanks, also, to the many people on both sides of the border who helped with research, information and arrangements for backcountry expeditions: Mario Villanueva, Gobernador del Estado de Quintana Roo; Alberto A. Rodríguez F., PhD, Asesor Ecológico del Ejecutivo, Gobierno del Estado de Quintana
