friendnT Acknowledgments HIS BOOK IS AN EXTENSION of my work in Discipline with Dignity (1988), which I co-authored with Dr. Richard Curwin. Rick Curwin is a brilliant, creative educator with whom I have had the good fortune of sharing much of my professional life's work. Rick has made a profound contribution in the field of education through his humanism, caring, and concern for children. I wish to thank the teachers, administrators, and other professionals who have attended workshops and seminars across the country for many years. Your enthusiastic response inspires me to continue my efforts at creating, expanding, and developing. The issues you address

remain without absolute answers.
