Book Description Cursed by older generations, Generations X means a lot of things to a lot of people. They are a culture, a demographic, an outlook, a style, an economy, a scene, a literature, a political ideology, an aesthetic, an age, a decade, and a way of life. Here is a collage of the most revered voices of Generation

X, demonstrating that while twentysomethings may, indeed, have dropped out of American culture (as it is traditionally defined), they also stand as a testament to American ingenuity, optimism, instinct, and intelligence.
