Book Description In-A-Flash PSAT contains need-to-know test-taking tips for the PSAT, an exam that prepares students for the SAT I exam and is used to qualify for National Merit Scholarships. It covers verbal (sentence completion, analogies, and critical reading), (math (multiple-choice, quantitative comparisons, and grid-ins), and writing skills (identifying sentence errors, improving sentences, and improving paragraphs) questions. From the Publisher Features and Benefits:

- Two-color interior design.
- 1 full-length practice PSAT test.
- Detailed reviews of key math, verbal, and writing concepts.
