THE CAR S TEAM  
> Twenty cars whip around a track. Suddenly  
> one of them swerves into the nearby pit area.  
> Half a dozen people leap onto the car and  
> practically tear it apart.  
> They are some of the team members who  
> make a stock car run. At the center is the dri-  
> ver. His job  
> obviously  
> is to push his foot onto  
> the gas pedal and make the machine go. But
