The fat man who was and told jokes in the dining hall  
the chasing my father on the golf course  
sibility that we would have a house  
looking through the thick overgrowth  
club  
excursions to Lake Geneva and  
ing which we actually were permitted to  
speedboats instead of gazing  
wistfully  
laikes  
the early and middle 1930s  
childhood and the matrix of my life.  
There were some unpleasant memc  
outdoor toilets  
the death during the  
Twin Lakes friend (tonsil infection)  
IC  
the day that my father  
weary  
worn a  
Lakes to tell my mother his business  
the advancing Great Depression. Sore  
never quite the same after that.  
The images which had surfaced wt  
me the age-regression technique of sell  
of my brain for weeks thereafter. 1  
hypnotic exercises  
then in ordinary  
the

whole world of Twin Lakes in the<br> benignly¼☉ vividly¼☉ overwhelmingly in<br> not that I was unaware of the Corn<br> Club s role in my life before Erika hac<br> ing her design a questionnaire for ai¼☉<br> techniques of self-hypnosis in psycho~<br> offered to teach me the technique). In<br> oh\ " I wrote for Gregory Baum s book<br> the early 1970si¼☉ I mentioned the T~<br> John Kotre in his \ "intellectual biograt<br> > Lakes experience in my life. The h~<br> everi¼☉ revealed to me the critical influ<br> on my imagination.<br><br><br>
