<p>You're no idiot, of course. You can find the perfect wedding gift for someone else, bake a cake, and throw a great party for a few friends. But when it comes to planning your own wedding, you're tempted to elope. Don't head for Vegas yet! The Complete Idiot's Guide to the Perfect Wedding, Second Edition helps you get through it all--so you can plan every detail, set and keep within a budget, and enjoy the big day. In this Complete Idiot's Guide you get:</p>
