<p>Smart investors know that the safest way to build wealth is to buy stocks that consistently pay dividends. Now Standard & Poor's, the nations leading securities information company, has distilled this sound investment philosophy in The Dividend Rich Investor. This user-friendly guide: shows why dividends are an important part of the investment equation; tells what to look for in a dividend-paying stock; provides a valuable list of stocks showing dividend leaders; includes a free trial subscription to The Outlook, S&P's weekly investment newsletter.&quot;&quot;</p>
