<p>Ten years ago pioneering biopsychiatrist Mark S. Gold, M.D. wrote a visionary guide to the effective new medical therapies emerging for the treatment of depression. Now, in this newly revised edition of his classic book, Dr. Gold does it again. The new Good News reveals how, in just a decade, sophisticated new research and drug therapies have revolutionized the care of all types of depression.

This essential resource includes:

-New treatments for depression and manic depression for 1995 and on the horizon for approval

-New diagnostic guidelines for different types of depression, including crucial tests many physicians omit

-The most common illnesses that mimic dep</p>
