In this book you will discover the various types of course available, examine your learning style, and find the type of course which best suits you. It was while offering private tuition that the author discovered the way, outlined in this book, of making the learning of languages more effective.

作者介绍:

Gill James has published several collections of teaching materials, which emphasise the students' control of their own language learning. She has worked for 25 years teaching modern languages both in schools and as a private tutor to adults of all ages. It was in the course of offering private tuition that she discovered the way, outlined in this book, of making the learning of languages more effective. This has also led to the formation of Gill's language school, Bridge House Languages, which works on these principles.

一本必须要出现的书，规规矩矩，有板有眼。但语言学习却也有很多不可控的方面。缺乏实用价值。
