Once a fishing town nestled on the banks of the Yangtze River Delta on the east coast of China, Shanghai is now the country's largest city and one of the world's busiest ports. The city has been the cultural and economic center of eastern Asia for over a century and has become synonymous with all that is modern in China. This book adventures through Shanghai, giving readers a cross-section of the city's loveliest and most exceptional interiors, such as a penthouse loft in a converted hardware factory with a rooftop greenhouse, controversial writer/superstar Mian Mian's conceptual "art apartment," the painstakingly restored "dream house" of a French archaeologist in the French Concession, and the sprawling, flamboyant apartment of art world diva Pearl Lam.

十几年前的上海了，有的地方看着真的很土了，但是那种新旧交融的对比还是很有冲击，而且不少艺术品感觉尺度很大，能感受到那个时候的开放，搁现在应该已经不行了。作为藏品，几十年后看看应该更有趣。购于缅甸Black Wolf书市。
