In *Love is Letting Go of Fear*, Dr. Jampolsky taught his thousands of admirers that love is the very essence of our being, our natural birthright which we can use to transform our lives. Now, in his eagerly awaited new book, *Teach Only Love*, he explores even more deeply the unique and transforming power of love. He draws upon the Seven Principles of Attitudinal Healing which are the foundation of his work with children and adults at his center in Tiburon, California. Dr. Jampolsky demonstrates that total acceptance and total giving are crucial to the healing process, not only for these children, but for all of us.
