Amigurumi--Japanese for cute, little stuffed dolls. (See cute book cover if you're having trouble with the translation.) It's the latest and hottest craft craze among young and trendy crafters. "Crobots" features a 20-strong army of charming, cuddly amigurumi designs such as BigBot, BabyBot (don't let his age fool you), Geisha, DogBot, CatBot, and Thinker. The pattern for each design is simple enough for crochet novices, yet can be adapted to keep the experts interested and amused.
