Amazon.com Review

The Chronicles of Narnia, by C.S. Lewis, is one of the very few sets of books that should be read three times: in childhood, early adulthood, and late in life. In brief, four children travel repeatedly to a world in which they are far more than mere children and everything is far more than it seems. Richly told, populated with fascinating characters, perfectly realized in detail of world and pacing of plot, and profoundly allegorical, the

story is infused throughout with the timeless issues of good and evil, faith and hope. This boxed set edition includes all seven volumes.

作者介绍:

Clive Staples Lewis (29 November 1898 – 22 November 1963), commonly referred to as C. S. Lewis and known to his friends as Jack, was an Irish academic, medievalist, literary critic, essayist, and Christian apologist. He is also known for his fiction, especially *The Screwtape Letters*, *The Chronicles of Narnia* and *The Space Trilogy*.

Lewis was a close friend of J. R. R. Tolkien, the author of *The Lord of the Rings*. Both authors were leading figures in the English faculty at Oxford University and in the informal Oxford literary group known as the "Inklings". According to his memoir *Surprised by Joy*, Lewis had been baptised in the Church of Ireland at birth, but fell away from his faith during his adolescence. Owing to the influence of Tolkien and other friends, at about the age of 30, Lewis re-converted to Christianity, becoming "a very ordinary layman of the Church of England" (Lewis 1952, p. 6). His conversion had a profound effect on his work, and his wartime radio broadcasts on the subject of Christianity brought him wide acclaim. Later in his life he married the American writer Joy Davidman, who died of bone cancer four years later at the age of 45.

Lewis's works have been translated into more than 30 languages and have sold millions of copies over the years. The books that comprise *The Chronicles of Narnia* have sold the most and have been popularised on stage, in TV, in radio, and in cinema.

书评

每当预见到自己要步行超过30分钟时，我就会在动身时塞上入耳式耳机，播放《纳尼亚传奇》的有声书。除了活灵活现的朗读声外，耳中只剩下从骨骼传来的自己的脚步声。于是，在这样的脚步声里，我一次次地走进由文字幻化而成的纳尼亚王国。听《纳尼亚传奇》就像是坐上了...
