You can get your poetry published? Here you ll find 1,700 listings of mass circulation and literary magazines, trade book publishers, small presses, and university quarterlies For each listing, poetry authority Judson Jerome provides:

- ~ a description of the publication
- ~ coding as to type of market (beginner, advanced, special subject, etc.)
- ~ contact, submission, and payment (if any) information

~ all publishing opportunities offered by the publisher

You ll also find information on contests and awards, U.S. and Canadian arts councils, writing colonies, organizations, sponsors of poetry readings and publications useful to poets, as well as a category index of publishers with poetry specializations, a geographical index, and an index of chapbook publishers.
