By identifying similarities in various books, this annual selection guide helps readers to independently choose titles of interest from those published in the last year. Arranged

by author within six genre sections, detailed entries provide publisher and publication date, names and descriptions of characters, review citations, a brief plot summary, listings of similar books by other authors and much more. Author, title, series, character name, character description, time period, geographic setting and genre/sub-genre indexes are included to facilitate research.
