The set includes 3 books: Misery, Carrie, Pet Sematary.

### 1, Misery (危情十日)

After a car crash, writer Paul Sheldon is saved by his number one fan, Annie Wilkes. She brings him home, splints his mangled legs, and all he has to do in return is write a very special book, one all about her favourite character. Because if he doesn't, if he is bad, she will be cross - very cross.

### 2, Carrie (凯丽)

A modern classic, Carrie introduced a distinctive new voice in American fiction — Stephen King. The story of misunderstood high school girl Carrie White, her extraordinary telekinetic powers, and her violent rampage of revenge, remains one of the most barrier-breaking and shocking novels of all time.

Make a date with terror and live the nightmare that is...Carrie

### 3, Pet Sematary (宠物公墓)

"Sometimes dead is better...."

When the Creeds move into a beautiful old house in rural Maine, it all seems too good to be true: physician father, beautiful wife, charming little daughter, adorable infant son — and now an idyllic home. As a family, they've got it all...right down to the friendly cat.

But the nearby woods hide a blood-chilling truth — more terrifying than death itself...and hideously more powerful.
