Introducing Now I'm Reading! Games, which bring together the joy of playing and the excitement of learning. Each hands-on, interactive set teaches and builds essential reading and math readiness skills. The unique combination of book and game will provide children with endless opportunities for skill-based learning, creative discovery and fun! Story sequencing meets the well-loved matching game Go Fish. As kids read the book, they learn how a seed becomes an apple and flour makes a cake. Then they build essential story-sequencing skills by playing the game and building each of nine story scenes.
