The first books in a brand new early reading programme for young Noddy fans. Find the right sticker to match the picture to make learning to read fun! A magic rainbow has appeared in Toyland -- but can Noddy and Master Tubby Bear find the gold at its end? Encourage picture/word recognition by reading through the story and fitting

stickers into the pages to complete the paragraphs. Written by educational specialists to introduce key words and sounds into a child's vocabulary, it's also great fun to do! When the book is completed, go back, re-read the story and admire your work -- stickers are reusable so you can even complete the activity again!
