The first books in a brand new early reading programme for young Noddy fans. Find the right sticker to match the picture to make learning to read fun! Noddy has won two tickets to the seaside -- but who will he take with him? Encourage picture/word recognition by reading through the story and fitting stickers into the pages to complete the paragraphs. Written by educational specialists to introduce key words and sounds

into a child's vocabulary, it's also great fun to do! When the book is completed, go back, re-read the story and admire your work -- stickers are peelable so you can even complete the activity again!
