Thomas Kloppe sees amazing things that no one else can see: tropical fish swimming in the canal, sparrows playing bright trumpets and frogs wriggling through the letter box. When his father hits his mother, Thomas sees the angels cover their eyes and weep. He writes it all down in "The Book of Everything", including his wish: When I grow

up, I am going to be happy.

至今读到过的最理想的文本去呈现儿童文学中争议性的话题 非常喜欢frame tale
开篇读到unhappy children have their rights too的时候就预感会是别样的作品
用儿童本身具有的想象力很巧妙地化解了家庭暴力的沉重性 说教性极低 但非常有力量
看完Guus Kijer在颁奖礼上的发言 实在是个太可爱又有趣的老头 虽是截然不同的语言
读Guus Kijer给我一种和森见登美彦非常相似的感觉 读完后的那一天
我把Thomas的愿望写在了我的床头 When I grow up, I'm going to be happy.
