" We sat down one night and mapped out our honeymoon with The Innkeepers Register Neither one of us had ever stayed at an inn before. Each inn was unique in its own way, and each day as we traveled to a new room, we looked forward to seeing its character. Most of the rooms

had beautiful (and/romantic for a honeymoon) yiews that.  
were incredible. ~kll of the people working at the inns were  
each more hospitable than the last. The meals were all  
wonderful. We appreciated the attentiveness of the inn-  
keepers but yet enjoyed the privacy given to us. Thank you  
for providing such a handy book. We plan to use it in the  
future as we travel more "
