

Gender in international relations

[Gender in international relations 下载链接1](#)

著者:J. Ann Tickner

出版者:Columbia University Press

出版时间:1992

装帧:paperback

isbn:9780231075398

Review

Tickner--an established scholar in international relations and a well-informed and thoughtful feminist--rethinks from a feminist point of view virtually every conventional category used by theorists and practitioners of international relations: the state, the international system, security, rationalism, citizenship, and more. -- Susan Moller Okin
Stanford University
