Follow this quirky and effervescent title as it presents a beautiful and light-hearted perspective of a culture and history that remains enigmatic to audiences the world over. China Everyday examines the everyday items of the multifaceted and fascinating Chinese culture through luscious, brilliant-colored photographs and piercing, insightful text, acquainting readers with the wonderful and sometimes weird customs, traits and even oddities of China. A fresh and insightful book that is a piece of art on its own!

评论

内容一般，详细罗列了一遍中国人20世纪初期中期生活的衣食住行祭祀礼仪，排版有意思。
