Stuck in a rut? Feeling adventurous? Moderately flexible? Spice up your sex life by

luring your partner out of the bedroom! There's a saying: Everyone remembers their first, and everyone remembers their worst. And there should definitely be some special moments in between. That's where 101 Places to Have Sex Before You Die comes into play. This fun, portable workbook provides a list of everyday places where venturesome people can have sex -- without too much difficulty. Each location features: - a difficulty rating (cakewalk to sexperts only) - helpful icons to indicate certain hazards or special considerations for each place (for instance, if there's a chance you might get arrested; if there are time constraints; if there's a risk of embarrassment; if any special equipment is needed, etc.) - a box to check once you've successfully completed the deed - a place to mark whether or not it's worth a repeat performance Whether you're feeling romantic, adventurous, sporty, lazy, or just plain naughty, 101 Places to Have Sex Before You Die is a must-have for anyone who enjoys a good roll in the hay (or on a floating dock, or even in the reptile house at the zoo).
