Cracking the GRE brings you proven techniques from the test prep experts! The 2009 edition includes over 300 practice questions and exclusive free access to practice exams and further review online. In Cracking the GRE we'll teach you how to think like

the test writers and

- Solve analogies even when you don't know the meanings of all the words in the problem
- Crack even the most complex algebra problems by plugging in numbers in place of variables
- Master even the toughest problems in the Verbal and Quantitative sections

We give you plenty of practice problems to help you master our proven techniques. In addition, you can access 2 full-length GRE practice tests online. Our practice questions are just like those you'll see on the real GRE—but with detailed answers and explanations for every question.
