装帧:Paperback

isbn:9780500201879

Here at last is a concise critical history of photography which explains by what criteria we can judge one photograph to be better than another, what is special about the photographic recording of images, what in fact is the essence of photography both in itself and in relation to other visual art forms. This brilliant study provides a unique guide to the critical issues through the examples of the greatest photographers in the world, from Fox Talbot, the father of photography, to the masters of today. 136 illus., 8 in color.

## 评论

太简单。一家之言。算不上标准摄影史。

-----  
有意地避免沦为单纯的“技术史”书写，以人物和风格、视角为线索组织。个人感觉章节之内的线索还可以更清晰一点。
